

Key & Credit Card Cabinet

This lightweight locking key cabinet features a space-maximizing design that offers storage space for up to 70 or 140 keys, ID badges or credit cards. The Anodized Aluminum construction and acrylic window provide superior durability as well as allow for easy wall hanging. Each locking cabinet includes two keys. Choose from a standard wall hanging design or a stand-mounted design with 3" swivel casters for added mobility.

- All-Aluminum construction
- Clear acrylic window
- Locking (2 keys included)
- 70 or 140 key compartments
- 3" x 3" x 2" deep slanted pockets
- 1" wide main frame
- 1½" door frame
- Heavy duty steel tube stand with powdercoated finish

Badge & Time Card Cabinet

This secure system ensures cards are always in the correct place, eliminating loss or misuse. The clear acrylic window allows cards to always be in view, while also securely enclosed. Cabinets are constructed of Anodized Aluminum with a full-length piano hinge door and a traditional frame. Cabinets can be wall-mounted or mounted in a solid-steel frame stand with 3" swivel casters. Choose from single door cabinets with either 60 or 120 badge slots or a double door design with 240 badge slots.

Curbside Collection Box (Private Delivery Only)

These units are made for private use only — no exceptions. Collection boxes are excellent for bill payment drop off, night depository, video, or book drop. The standard color is white, with custom colors available at an extra charge — Blue is not a color option; additional charges may be incurred for an exact PMS color match; please call our Customer Service Department for details on custom colors. Custom color drop boxes are not returnable. Each unit comes standard with a 5-pin tumbler lock and two keys.
